

Outreach is pleased to announce that our services have continued, uninterrupted, through the provision of tele-practice.

During this highly stressful time, it is important, now than ever, to ensure that those in need of substance abuse and mental health treatment services continue to receive timely access to care.

Outreach offers same day access to telehealth services on an easy to use platform:

- ◆ Medication-Assisted Treatment (MAT), including induction
- ◆ Psychosocial, Medical & Psychiatric Assessment
- ◆ Individual & Group Counseling
- ◆ Case Management Services
- ◆ Vocational Services
- ◆ Peer Services

As always, care remains trauma-informed, person-centered, and includes:

- ◆ Trauma Informed Care
- ◆ Relapse Prevention
- ◆ Parenting Skills Groups
- ◆ Anger Management Groups
- Evidence-based practices including:
 - ◆ *Motivational Interviewing*
 - ◆ *Cognitive Behavioral Therapy*
 - ◆ *Seeking Safety*
 - ◆ *Stages of Change*
