Building more in our Communities... Outreach Recently Broke Ground on a Young Adults Residence

This new 25-bed facility will open in 2023 for young adults, ages 18-25.

This state-of-the-art residence will be in Brentwood, Long Island.

Still to come...

A new residence is planned for Richmond Hill, Queens for 25 women, and women with children, who struggle with addiction.

"Building Healthy Lives"
is what Outreach is all about

Our Mission

"To inspire individuals and families to achieve a life of unlimited potential by developing and delivering the highest quality evidenced-based behavioral health services and training."

More than 40 years ago, Outreach opened its doors as a small assessment and referral center to engage people in the community struggling with addiction. Since then, our mission evolved to meet more needs and more communities, offering state-of-the-art substance abuse and mental health intervention, rehabilitation, and training programs at multiple residential and outpatient locations in New York City and on Long Island.

You can make a tremendous impact. Your support of this year's Metropolitan Luncheon event will help us expand our programs and services and build stronger and brighter futures for everyone we serve.

If you, or someone you know, needs help with a drug or alcohol issue,
