Building more in our Communities...

Opening Soon Outreach's Young Adult Residence

This new, state-of-the-art residence in Brentwood, NY, serves young adults ages 18–25 and is the first of its kind in New York State. Your support helps us deliver vital programming for this often-overlooked population, as well as a broad array of services for individuals and families across all ages—from children to adults.

"Building Healthy Lives" is what Outreach is all about

Our Mission

"To inspire individuals and families to achieve a life of unlimited potential."

More than 45 years ago, Outreach opened its doors as a small assessment and referral center to engage people in the community struggling with addiction. Since then, our mission evolved to meet more needs and more communities, offering state-of-the-art substance abuse and mental health intervention, rehabilitation, and training programs at multiple residential and outpatient locations in New York City and on Long Island.

You can make a tremendous impact. Your support of this year's Metropolitan Luncheon event will help us expand our programs and services and build stronger and brighter futures for everyone we serve.

If you, or someone you know, needs help, call us at
